# Prashans Dixit

Data Science & Analytics Enthusiast | Interest in Computer Vision & AI | Kaggle Contributor | Self-Taught Programmer | Class 10 Student  
Banswara

## Summary

I am 16 years old, python programmer and machine learner. I like to work on projects of data science and data analysis and would contribute more in the community of DS. I take interest in computer vision and Artificial Intelligence too. Below are my qualifications :-

Expert with python language.

Intermediate knowledge of ML and DL

Work with OpenCV for Computer Vision

I enjoy while working on the different programs and learnings

Looking forward to do a great work in Kaggle and DS communities.
